## Collector Series Crystal Singing Bowls

### ***Gemstones***

### The Rose Quartz Series® - Soothing Pink Healing

A fusion of natural rose quartz and pure quartz crystal, this bowl is a high-quality and natural quartz and gemstone blend with no chemicals or dyes.

### **The Amethyst Series -Connect to the Source**

A fused mixture of pure silicate quartz and amethyst which supports the expansion of the crown chakra and evokes serenity and composure.

### **The Moldavite Series® - Ancient Otherworldly Aura**

A powerful transformational blend of moldavite and quartz crystal. This very high frequency mineral catalyzes change, bringing catharsis, growth and changes. Moldavite stimulates our connection to the stars and opens our hearts to the Universal All.

## ***Metals***

### **The Platinum Series® - Pastel Rainbow Elegance!**

Optimizes energy, stimulates the pineal and restores cellular patterning. Silver and platinum are master balancers and combine for maximal effect in this opalescent bowl which unifies astral and physical body fields.

### **The Mother of Platinum Series® -Natural Harmonizer**

Mother of Pearl holds a vibration of water elementals, balancing the divine mother/feminine energy with its opalescent pastel essence. Mother of Pearl protects and nurtures the spherical pearl, a symbol of wholeness and unity - pearlescent energy.

### **The Aqua 24K Gold Series® - Transcendent Aqua Aura**

These special bowls deeply and actively entrain the auric fields for cleansing of the upper chakras, and work very quickly with the third eye and crown chakras.

### **The Ocean 24-K Gold Series® -Essence of Dolphin**

The Ocean Gold Bowl combines a marine pearl essence with bubbly, playful dolphin energies that assist with loving communication and activation of the thymus gland.

### **The Golden Bowl Series® - Intense Yellow Ray Energy**

Pure Gold shines through in this solar-oriented bowl series. Glowing with a ray of yellow, these bowls work powerfully with the energies of the Solar Plexus center - supporting the self-esteem and confidence of self or groups.

### **The Androgynous Indium Series® - Violet Ray of Light**

A deep violet-blue iridescent-hued bowl, This bowl contains Indium, a non-synthesized natural substance that helps with vitamin and mineral absorption and balance in the body.

### **The Ocean Indium Series® -Opalescent Violet Shimmer**

An opalescent ray of violet light, the Ocean Indium carries a shimmer of iridescence on a translucent background.

## ***Minerals***

A new dimension in crystal bowl healing with the look and feel of sterling silver. Our Solid Silver Bowl mirrors sophisticated elegance for the New Age.

### **The Tibetan Quartz Series® -Om Mani Padme Hum.**

Ancient prayer energies of 16th Century Tibetan singing bowls blend with Aquarian quartz crystalline frequencies. Healing energies radiating from this shiny copper bowl with a rich patina of bronze and silver, amplify healing sounds to new levels

### ***Practitioner Series® Bowls***

## ***Practitioner Series® Bowls***

A Quartz Crystal Healing Tool

The Practitioner Bowl® Series are pure quartz crystal singing bowls that have been designed with a quartz rod handle. These newly developed healing tools have been specifically created for therapeutic use for both the sound healer and as an addition to any alternative form of healing work.

"The Practitioner Bowls® are the most practical of the crystal sonic tools that have thus far manifested on the planet. They are lightweight and easy to use - the glass goblet design allows you to comfortably move with them while resonating their wondrous sounds. They are a true gift to assist with sound healing and frequency shifting."

-Jonathan Goldman Author of "Healing Sounds" Composer of "Chakra Chants"

## **Solid Ingot Quartz Crystal Tuning Forks**

### **Crystal Tuning Forks®**

## **A major innovation in the world of vibrational healing**

Achieve high frequency sonic healing with Crystal Tones, Inc. pure quartz crystal tuning forks that vibrate in and through any bone and emanate a pure frequency that is gentle and effective. Invoke your inner greatness with these custom fiber optic quality base elements and create a pleasant and natural entrainment with the devic worlds. The new forks incorporate traditional tuning fork design projects a sign wave of pure silicon quartz crystal that entrains the body's crystalline bone lattice structure, meridian system and chakra points and overall affects the planetary grid and sacred patterning. Due to the neutrality of quartz, intention manifests a faster and cleaner waveform through the forks and acts as a projector of light through the fiber optic clarity of each

fork. A magnificent energy conductor, the quartz crystal tuning fork is designed for the professional practitioner and plays for a full five minutes with one tap of the rubber mallet. Acupressure, cranial sacral and massage therapy practitioners will find that the quartz tuning forks add new and rapidly emanated dimensions to their healing modalities. Available in full diatonic scale of low C to High C. Various combinations of any hertz frequencies can be custom ordered.

***Therapeutic Clear Quartz Crystal Singing Bowls***  
Angelic Tones, hand held, light weight for traveling

Perfected water and purifying sonic energies combine in bowls that resonate and entrain quickly with the body and psyche. Practitioners often choose clear quartz crystal bowls for transmuting energies. Just as healers in the past have carried pure quartz crystals and small crystal singing bowls in their roles as nomadic priests and shamans, today's doctors and holistics embrace the clarity and entraining effects of our Clear Quartz Crystal Bowls.

Smooth energies flow from these bowls for releasing and clearing work and can also be helpful in creating harmonious energies in the home.

Available in various styles including flat and round bottom, specialty bowls such as Rose Quartz and Aqua 24-K Bowls and The Practitioner and Tuning Fork Bowls®

## **Optically Clear Bowls**

Affordable with optical clarity, these quartz bowls are lightweight with a chiming effect. A full series now available in various sizes of hollow handled bowls with handles (walkabout bowls, bowls on a stick, bowls with handles) and flat bottom bowls.

### ***Ultra Light Frosted Series® Bowls***

Crystalline Sound, hand held, light weight, designed for mobility

Aesthetically pleasing and resonating with pure white light, The Ultra Light Frosted Bowl® mists the sound current with a sweeter, softly higher waveform than a Classic Frosted bowl. This super resonant bowl can ring for two and a half to three minutes with just one firmly applied revolution of the mallet on the rim. The Ultra Light Frosted Bowl® plays a subtle tone that gently massages blocks up to the surface. The frosted finish sends a palette of lighter tones and wraps the auric field with subtle energy. This bowl rounds the more piercing tones of a clear bowl into a marriage of sound and easy movement in a full range of styles. The Practitioner Ultra Light Frosted Bowl® helps create maximum therapeutic effects with clear, pure tones as the healer moves effortlessly with the lightweight bowl for extended periods of time without tiring.

Luxuriate in a personal “sound spa” with The Ultra Light Frosted Bowls®, recalling sacred imagery and expanding helpful negative ions. Lift spirits in a dance of pure light and tone with these easily portable and amazing traveling companions.

The Ultra Light Frosted Bowl® is available in variety of sizes and styles including flat and round bottom, Tuning Fork®, Mini Practitioner® and The Practitioner Bowl®.

***HOLOGRAM Classic Frosted Crystal Singing Bowls  
16” and 22”***

***Suspended in the center of each Hologram bowl you  
can see a clear round holographic sphere***

Stationary, deep tones, group meditation, heavy use

These beautiful and luminescent bowls emit an expansive sound that is healing for the body’s deeper tissues. Evocative of ancient temples, our Classic Frosted Bowls exude a healing matrix wherever they’re sounded. The effects of playing Classic Frosted Bowls in the home, office or a large group setting can be more grounding and help promote a stable, peaceful energy. The highly tactile and light-filled Classic Frosted bowls are perfect entrainment tools for large groups, meditation and indoor and outdoor healing and garden spaces.

The Classic Frosted bowls carry an Earth energy. Their white color reminds of purity and new beginnings. Natural light enhances the bowl energies and Feng Shui appeal. Their Zen-sculpted looks are healing and their Yin/Yang qualities stellar. Classic Frosted rounded and light-filled bowls ring with fuller, smoother tones to combine for the sweetest Universal harmonies.
